PROGRAM AND ACTIVITIES

"VALUES FORMATION AND SPIRITUAL ENRICHMENT SEMINAR"

RATIONALE

The promotion of moral values and spiritual enrichment in schools, government and private offices as well as other sectors of the Philippines, comes under the Preamble of the Constitution for which the Government is to embody and build a just and humane society in promoting the common good. In Article II, Section 27 of the Constitution, the State provides that **Government** must "maintain honesty and integrity in public service and take positive effective measures against graft and corruption. Article XI, Section 1 directs "**public officers** must at all times be accountable to the people, serve them with utmost responsibility, integrity, loyalty and efficacy, act with patriotism and justice and lead modest lives." Likewise in Article XIV, Section 3 (2), the Constitution provides that "all **educational institutions** shall inculcate... the rights and duties of citizenship, strengthen ethical and spiritual values; develop moral character and personal discipline and encourage critical and creative thinking. (3)...spiritual values shall be allowed to be taught to their youths or wards in public elementary and high schools within the regular class hours by instructors designated."

Similarly, the Values Formation and Spiritual Transformation Council Incorporated (VFSTCI) thrust found a strong support in the Philippine Constitution of 1987 in its vision of "a just and humane society," which calls for a shared culture and commonly held values such as "truth, justice, freedom, love, equality, and peace". (Preamble)

Therefore, in response to the need to strengthen the moral resources of the Filipino people rooted in Filipino culture, values and ideals that are **Maka-Dios, Maka-Tao, Maka-Bayan** and **Maka-Kalikasan**, former President Fidel V Ramos, in His Executive Order No. 319 dated April 3, 1996 mandated urgent implementation of the **Moral recovery Program** to bring about the needed change for progress.

In the pursuit of this thrust, the Values Formation and Spiritual Transformation Council Incorporated (VFSTCI) has embark on a Values Education and Spiritual Enrichment Program with the following goal and objectives:
