The ACT Region 4A Union will hold a **1st Regional Training of Trainers (RTOT) on April 20, 21 and 22 2018 which will be held at Teachers Camp, Baguio City.**

The objectives of this important activity are:

- a. Help the teacher-leaders and future teacher-leaders in their professional growth;
- b. Help them develop to become future teacher-leaders and to be more responsible and conscious;
- c. Impart to them the general principles / concepts and objectives of the Department of Education (DepEd) and relay to them the important task that they should do as educators;
- d. Make them aware about the present national situation and its relation to the overall education situation of the country, and
- e. Educate them on the proper handling of issues and problems that may arise within their respective schools or their other member schools between administration and teachers, among teachers and between teachers and parents or teachers and students. This is a major and conducive factor that would greatly contribute to the advancement of the quality education.

The topics to be discussed during this activity include:

1. Legislative agenda for the education sector
