

**ADVISORY NO. 022 2018**

In compliance to the DepEd Advisory No. 028, s. 2018 and in response to the correspondence of Elite Techo Park dated May 15, 2018, this advisory is issued for the information of Education Program Supervisors, Public School District Supervisors public and private Elementary and Secondary School Heads, Teachers and Students.  
May 22, 2018

**INVITATIONAL ATTENDANCE TO THE ELITE TECHNO PARK**

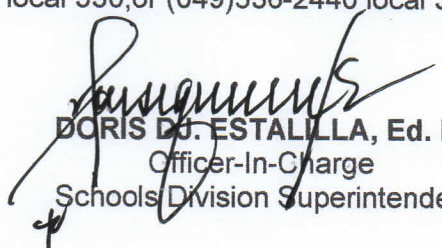

This office announces the invitation of the Elite Techno Park to the Creative Science Exhibit Inc. at Liwasang Daragen Cultural of the Philippines.

The Elite Techno Park is a technological theme park in the Philippines that features modules in Engineering, Information Technology, Mechanic and Automotive, Refrigeration and Air Conditioning, Solar Energy, Renewable Resources, and Weather Forecasting.

Participation of teachers and students shall be upon the recommendation of the school heads and shall adhere to the DepEd Time-on-Task Policy. Safety and security of the personnel and students joining the activity must be ensured.

All expenses shall be borne personally by participants and on official time only.

Attached herewith are the correspondence, the company profile, and lists of modules from the Elite Techno Park for information and appropriate action. For further information you can contact Ms. Rina Fernande, a General Manager of Elite Techno Park, at Tel. No. (049) 536-3446 local 330; or (049) 536-2440 local 330.

**Dr. DORIS SJ. ESTALILLA**

School Division Superintendent  
Department of Education – Cabuyao City Division  
Cabuyao City

Dear Dr. Doris SJ. Estalilla:

Please allow us to introduce our company, **Elite Techno Park (ETP)**. It is the First Technological Theme Park in the Philippines that features the **Science, Technology, Engineering, Mathematics (S.T.E.M.), Information Communication Technology (ICT), and Techno-Vocational Track** of the K-12 program of the Department of Education in the field of **Engineering** (Semiconductor, SMT, PCB Assembly and Electronics), **Information Technology, Mechanic and Automotive, Refrigeration and Air Conditioning, Solar Energy, Renewable Resources, and Weather Forecasting** (Climate Education and Disaster Awareness Program). ETP was launched last July 2016 and since then offers different learning modules for elementary to tertiary level.

Elite Techno Park aims to utilize the skills of the students that can supplement their technical knowledge for their chosen technical courses. It provides activities for the visitors to have hands-on experience on each module such as:

1. Semiconductor Engineering and Electronics
2. Robotics (Information Technology) and Programming
3. Renewable Energy and Climate Education
4. Mechanic and Automotive, Refrigeration and Air-conditioning

In this regard, we would like to invite all teachers, administrators and students of Cabuyao City Division to visit Elite Techno Park. We look forward for your support this school year 2018-2019 in our company's mission to provide outdoor and practical education, and we believe that we are one with you in developing better, responsible, and intellectual future leaders of our country for the benefit of our next generation.

Attached are the following documents, for your perusal:

1. Dep Ed Advisory No. 028, s. 2018
2. Learning Development Modules of Elite Techno Park
3. Flyer of Elite Techno Park
4. Company Profile of Creative Science Exhibit Inc.
5. SEC Registration

Should you wish further information, we will be more than glad to do presentation at your most convenient time. Please do not hesitate to contact our office (02) 622-8253, (02) 617-7509 or you may text the following numbers 0917-851-5338, 0917-800-1783, (0922) 879-5338, and email marketing.elitetechNOPark@gmail.com

Thank you very much and we hope to see you at Elite Techno Park.

Respectfully Yours,

  
**RINA FERNANDEZ**  
General Manager
