Mabuhay!

I am Ian Gil Piencenaves, a Regional Development Officer for Southeast Asia under the Badminton Asia (BA) and Badminton World Federation (BWF), in-charge of implementing Shuttle Time, a Badminton school program designed for teachers and coaches in schools.

In this regard, I would like to invite the Department of Education teachers to take part in **Shuttle Time Cabuyao, June 2-3, 2018**, at premiere Southpoint Badminton court. Program start at 8am. A **School Badminton Program** specifically designed for teachers to plan and deliver fun and safe Badminton activities.

Teachers play a big role in introducing badminton to young kids and starting them to become interested and try the sport. However, a standardized skills development curriculum taught in a fun and age appropriate manner is yet to be implemented in the school level to ensure accuracy of learning the fundamental movements of the sport.

This international certification course program was developed and implemented by **Badminton World Federation (BWF)**, and supervised by the **Badminton Asia**. An official event by the Philippine Badminton Association, Smash Pilipinas, we are aiming to deliver positive, fun and safe learning of Badminton in schools. This is our way of supporting and increasing the number of teachers who will deliver Shuttle Time to their respective schools in the Philippines.

Shuttle time will train teachers and coaches to become confident in teaching Badminton in schools or handling children in sport. At the end of the 2-day seminar, participants will receive a certification from BWF and BA, a **Teacher Manual**, ready **Lesson Plan**, **92 instructional videos** supporting the exercises.

The course will be charging P2, 500 for each participants, which will cover food for 2 days (lunch, and snacks/coffee, Shuttle Time shirt, printing of Teacher manual and the Lesson Plan).

Together, we can help young Filipinos to excel in sports and contribute positively to our society. I am willing to present to you for more details and information regarding the program if needed. Thank you and hoping for a positive and favorable response.

Yours truly,

Ian Gil Piencenaves

Shuttle Time Philippines has provided an excellent platform for the growth of badminton in the country.

Our aim now is to expand Shuttle Time into new regions such as **Cabuyao City** and provide even more opportunities for teachers and children to experience badminton.
